

EDUCATION DESIGN SUMMIT

Diverse Leaders Driving Innovation in Education Spaces

An eight part online series exploring collaborative planning, design, and implementation of adaptable learning environments.

EPISODE 4:

Designing for Safety and Security: Protecting Students While Supporting Healthy School Environments

Walter Rivera

Walter Rivera is the Supervisor of Security for Nassau BOCES and a former federal law enforcement Supervisor. He spent 28 years with Homeland Security Investigations and the United States Customs Service, leading high-level operations as the Executive Officer of HSI New York's Emergency Response Team. Passionate about protecting schools, Walter leads safety efforts through enhanced security measures, proactive training, and hands-on leadership, bringing his expertise in crisis response and operational readiness across Nassau BOCES facilities.
